## SOUTHERN CHEMIST AWARD 2004

### Dr. Alan George Marshall

*Professor of Chemistry & Biochemistry  
ICR Program Director, National High Magnetic Field Lab  
Florida State University*

Professor Marshall obtained his Ph.D. from Stanford University. Before joining the faculty at Florida State University, he was a faculty member at the University of British Columbia and at Ohio State University. His recognitions include: Alfred P. Sloan Fellow, American Chemical Society Award in Chemical Instrumentation, Eastern Analytical Symposium Award, American Chemical Society Field-Franklin Award in Mass Spectrometry, Spectroscopy Society of Pittsburgh Maurice F. Hasler Award, New York Society for Applied Spectroscopy Gold Medal, and the American Society for Mass Spectrometry Distinguished Contribution Award. He is a Fellow of both the American Physical Society and the American Association for the Advancement of Science, and is an FSU Distinguished Research Professor.

## Memphis Local Section 2005 Officers

**Chair:** Laura Crane  
**Chair-Elect:** Kara Jackson  
**Secretary:** Analice Sowell  
**Treasurer:** Lars Reimann  
**Councilor:** Laura Wolf  
**Alternate Councilor:** David Jeter

A very **BIG** thanks to the 2004 Chair Mike Condren, officers, committee members and local section members for making ALL of our events possible this year.

The ISOTOPIC is the newsletter of the American Chemical Society-Memphis Section that is published before every regular section meeting. For article inclusion, contact Analice Sowell, Section Secretary, via e-mail at [asowell11@midsouth.rr.com](mailto:asowell11@midsouth.rr.com) or via fax at 901.682.7815.
